

# Senior Leader

Senior-level ministry leaders require a more robust set of tools to aid in meeting the myriad of demands and needs that are inherent in larger, more complex organizations.

Designed for the more experienced pastors, ministry and faith-based non-profit leaders, as well as those preparing for a senior role, you'll gain the skills and tools to:

- | **Think** strategically.
- | **Adapt** to social, economic, and cultural shifts.
- | **Resource** financial needs.
- | **Cultivate** strong, healthy governance.
- | **Build** strong & effective teams, staff engagement, and optimal hiring practices.
- | **Create** ministry movement to realize God's vision for your context.
- | **Lead** in a post-Christendom landscape.

You'll finish with the practical ability to **successfully resource, navigate, manage, and lead** your church or organization with **grace, influence and impact.**

## Our Senior Leader training consists of:

18 month Learning Community

4 immersions, one every 6 months, with each lasting four days.

6 total executive-level group coaching sessions, two in between each immersion.

Time away from your daily context, with each immersion held in a different city to provide exposure to other ministries.

### Important:

You can begin your participation at any point, starting with any of the 4 immersions.

PLI's training is not offered in individual, one-off training events, and requires a commitment to the full 18-month learning community.
