GLOBAL UPDATE

ONE PLI

We invite you to pray this month for all of our PLI Staff and Regional and Local Leaders involved in training in the United States. We give thanks for them and their leadership, for the gifts they share and the sacrifices they make to train leaders. We pray God's blessings over their health and the well-being of their families. And we pray for wisdom for their leadership with PLI, as well as within their own local ministries.

REGION FOCUS: US & CANADA

ADDITIONAL UPDATES & PRAYER REQUESTS

Vision Bridge teams had their last Virtual Session in June. They will now be working as teams to solidify the language around their vision and determine the Holy Spirit-led steps that will help them lead their congregations faithfully into the future God has shown them. Pray for continued clarity and confidence for these leaders as they seek to lead with humble courage so that disciples are multipled and many more people come to know Jesus.

Class of 2025 Post-Seminary Coaching Groups concluded their year together in June. Please keep this group of pastor couples in prayer as they continue to implement the concepts explored together during the experience. May God continue to guide and bless their ministry and leadership!
